1/ Hispanic refers to people whose origin is Mexican, Puerto Rican, Cuban, South or Central American, or other Hispanic/Latino, regardless of race.

2/ Civilian Labor Force data for March 2001 in this table differ slightly from data for March 2001 published by the U.S. Bureau of Labor Statistics (BLS) due to the use by BLS of a composite estimation procedure that reduces sampling error, especially in estimates of month-to-month change. In addition, the data in this table differ from annual-average data and from seasonally adjusted data published by BLS.
